

# Custom Color Request

We'll let you know if any of our colors are a suitable match. If not, we can customize for a \$120 fee. Colors are a separate cost: 8 oz (\$56) is the order minimum; 16 oz (\$89) is a better value. We keep the formula and a sample on file should you ever need more. In this instance, there is a re-mix fee.

**DO NOT SEND MONEY**, as your project may also require a clear finish or repair products. Simply mail your sample with this form to the address below, and email photos. Once received, we'll promptly email you to discuss the project and collect payment.
